Letter No. 13143F/49-6, dated 27.6.49.

To

The Managing Director,
Messrs California Oil Corporation Ltd.,

Sir,

Sub:- Civil Supplies Kerosene- The Madras Kerosene Control Order 1947 - Recognition of Messrs. California Oil Corporation Ltd. Calcutta - as an Importing Oil Company Request for.

Ref:-YOur letter dated 30.3.49. Government letter No. 13143F/49-2 (Food) dated 4.5.49.

In continuation of the Government letter cited, I am directed to reply as follows:-

Orders recognising your Company as an Importing Oil Company for the purposes of the Madras Kerosene Control Order 1947, will be issued separately. If the Oil imported is ordinary kerosene, it should be marketed according to the provisions of the Madras Kerosene Control Order 1947, If however, it is "power Kerosene" the Company should prove to the satisfaction of the Board of Revenue (CS) that it is so and obtain specific instructions for marketing such kerosene outside the purview of the Madras Kerosene Control order 1947.

As regards the fixation of prices of Kerosene, the position is that, after the abolition of control over the main port selling prices of kerosene by the Government of India, the Company is at liberty to fix any price. It is enough, if it intimates the prices of kerosene as and when they are fixed from time to time to the Government, the Board of Revenue (CS) and the Collectors. Detailed instructions of the Board of Revenue (C.S.) should be obtained in advance before the oil is actually marketed in the consuming centres in the province.
